Australian Youth Olympic Festival January 2009

This is an event of The Australian Olympic Committee designed to prepare young talented athletes for a possible Olympic future.

NSWFA and the Australian Fencing Federation will staff and conduct the fencing event at Sydney Olympic Park on 16 & 17 January in the Sports Halls

This is an exciting competition that showcases Australia's young fencing talent on a world stage, competing against a host of other fencing nations.

The event team requires volunteers to assist with time-keeping and scoring (as well as supporting Aussie athletes at the same time!) Don't worry we will teach you how.

If you would like to assist, please head to the Official Website at :
<http://www.ausfencingevents.org/2009ayof/index.htm>

Or complete the volunteer form now and get it back to us. We will feed and water you and give you an event shirt together with a ticket to the opening ceremony at the Sydney Entertainment Centre

I look forward to enjoying this event & working with you. See you there!
