## 2017 FEES

The NSWFA Board has set new membership and competition entry fees for 2017. Some fees have been increased; others remain unchanged. An increase in some fees is necessary to help meet the cost of establishing a full-time training and competition venue that will provide new opportunities for fencers and advance the development of fencing in NSW. The Board notes that NSW competition entry fees have not been increased since 2010.

### The fees that have been increased are:

- |  |                    |
|--|--------------------|
| • Senior Affiliated/Coach Membership           | \$200              |
| • Upgrade from Senior Registered to Affiliated | \$150              |
| • NSWFA Competition Entry                      | \$35               |
| • NSWFA Competition Second Entry               | \$25               |
| • NSWFA Competition Late Entry                 | \$70               |
| • NSW Squads – 1 day per week                  | \$500 per semester |
| • NSW Squads – 2 days per week                 | \$800 per semester |

### The fees that remain the same are:
